The screenshot displays a chat interface for 'Etihad AI Chat'. At the top, a yellow banner reads 'Best beach destinations to fly to from Abu Dhabi this weekend'. Below this, the chat header shows a star icon and the text 'Etihad AI Chat'. A user message in a dark blue bubble says 'Before I find the perfect destination for you, help me personalise your trip!'. The bot's response is a form titled 'HELP ME PERSONALISE YOUR TRIP'. It contains two sections: 'Who's travelling?' with four buttons ('Family with young kids', 'Couple', 'Solo traveller', 'Group of friends') and 'Any special occasion?' with four buttons ('Honeymoon', 'Family holiday', 'Birthday or anniversary', 'Just exploring'). The 'Solo traveller' and 'Honeymoon' buttons are highlighted with yellow borders. At the bottom of the form is a yellow button labeled 'Find my destinations →'. A final yellow banner at the bottom of the screen reads 'Best beach destinations to fly to from Abu Dhabi this weekend — Solo traveller, Honeymoon'.
